

ALANTRA

Shaping Private Equity

Global access · Sector intelligence · Trusted execution

Alantra is a trusted partner to financial sponsors at scale. Our coordinated and integrated coverage is a key differentiator: we average 1,200 meetings with private equity firms each month, have presented opportunities to more than 2,000 sponsors since 2022, and leverage technology to connect the dots. Combined with sector specialists and disciplined cross-border execution, this reach translates into consistent origination, sharper shortlists, and reliable outcomes across buyouts, add-ons, growth investments, and exits.

This year so far Alantra has advised on 70+ transactions for 60+ private equity firms, positioning us as a strong advisor to financial sponsors worldwide.

Our value added for Financial Sponsors

Global access at scale

With coordinated coverage and local teams across Europe and North America, we ensure seamless buyer access and early opportunity identification.

- > Identifying high-quality assets aligned with investors' strategic priorities - [Alantra's advisory to Ambienta](#)

Sector expertise

Deep sector knowledge lets us anticipate trends and deliver insight-led, value-creating solutions.

- > Building a leading track record in Health, Beauty & Wellness - [Alantra's advisory to Inflexion](#)

Integrated Intelligence

Our proprietary data tools and fully integrated teams work together to deliver actionable intelligence and support confident, well-informed decisions.

- > Integrated team approach powered by real-time intelligence - [Alantra's advisory to Bansk Group](#)

Long-term relationships

We accompany companies and sponsors across cycles - investment, growth, and exit - with ongoing strategic advice.

- > Building enduring partnerships that drive global growth - [Alantra's advisory to ThermeGroup](#)

Proven execution

Hands-on senior involvement and rigorous process management ensure speed, precision, and certainty.

- > Delivering high-value outcomes under tight timelines - [Alantra's advisory to JPB Système](#)

Process design & structuring

By tailoring process design and structuring, we create strategic flexibility.

- > Designing and structuring a growth partnership to accelerate national expansion - [Alantra's advisory to Bishop Fleming](#)

Private Equity Track Record

Through our active, cross-border coverage engine, we combine data-driven insight and deep buyer behavioural intelligence to engage sponsors and convert market intelligence into high-value opportunities.
